PRINCIPAL'S REPORT *(5 minutes)*

Coyote Spotlight lunch for Las Sendas Staff. This gives an opportunity for members of the Las Sendas community to get noticed and have a free lunch on us. Any person can nominate a Las Sendas school member and the remarks are posted in the Low Down. Our staff really loves this and it sets a great tone for our school. **Email Jill with the nominations. Put a note in the Wednesday Envelopes to let parents know.**

Encumber \$200. Motion to encumber \$200 made by Suzanne Hug. Second Regina Keenan. Passed.

REVIEW OF OCTOBER EVENTS *(3 minutes)*

October 2nd – Las Sendas Food Truck Night

We were definitely prepared and sunk a LOT of physical labor into setting up 2 stations and 2000 drinks for a bit of a disappointment in sales. Almost \$200. The good news, we are stocked up for the next ones, we will have a better position because the people running Mesa Food Trucks really wants us to be successful, and it was a really fun event.

October 7th – Coyotes Dining Night Out, Chili's

There was a misunderstanding with Chili's, they expected us between 4-9 pm instead of ALL Day but they stood by what we thought and honored us all day. With the 15% that Chili's is giving us, will give us a check of \$174.

October 19th – 23rd Fall Book Fair

The fair was alright. Sales were down from previous book fairs. Looking into a possible switch from Scholastic to Phoenix Book. Book fair made \$2100.

October 21st – Krazy Air

Krazy was a fun night out of jumping! At the end of the night we made \$60. That means Las Sendas had 300 hours logged into Krazy Air, between the hours of 2-9, which was unexpectedly low from what they did last year with Zaharis. More reminders will be sent out for our next Krazy Air Funraiser (January 21) but we will happily take \$60.

October 24th – Garage Sale

Krystal Schmier did the majority of EVERYTHING and did it TREMENDOUSLY!! Thank you so much for your hard work! Spaces were sold at \$25 each, resulting in earnings of approximate of \$1000.

Karen from Mathnasium was kind enough to pick up leftovers from the garage sale that qualified, for Clothing Cycle so we already have a pile to start with!
